WHILE WE'RE PROBING, HOW ABOUT
A LOOK AT THE JUSTICE DEPARTMENT?

While the Whittaker Chambers-Alger Hiss investigation continues—as it apparently is going to—a side investigation of the Justice Department might be in order.

On Dec. 1 officials of the department gave out a statement that they still had possible perjury charges against either of these men "under study," but that there would be no use in going to a grand jury with the evidence they had at present. That evidence, they said, failed to show which one, if either, was lying. "If either," mind you, after Mr. Chambers had sworn that Mr. Hiss was a prewar Communist agent in Washington; and Mr. Hiss had sworn that he wasn't.

Also on Dec. 1, two Washington reporters came out with stories that new and important evidence in the Hiss-Chambers case had been discovered. Other newspapermen took up this lead and found that there were, to put it mildly, some contradictory ideas among the attorney general's help about the quality of the evidence at hand.

Assistant Attorney General Campbell, in charge of the department's criminal division, told a New York Herald Tribune reporter that he just couldn't comment on stories that depositions had been taken or new documents produced because the Chambers-Hiss case was "too hot."

Another reporter from the same newspaper got Mr. Chambers, his attorney, and an attorney for Mr. Hiss on the phone and asked each the same five questions regarding the reported depositions, what they had contained, and what had been done with them. All three refused to answer any of the questions.

We can conceive of an investigation of alleged Communist activity in government as being "too hot" for preliminary disclosures before the investigation was complete. But we cannot see why a Justice Department attorney should refuse to confirm or deny that depositions had been taken in the Chambers-Hiss case which might have some bearing on his department's perjury inquiry.

And we certainly cannot understand why some department members should imply, in a statement to the press, that this inquiry was about to die for lack of evidence while, on the same day, others were telling the press that the whole thing was "too hot" to discuss.

Some people in the department apparently would like the public to forget the whole thing, while others would like to keep the public in the dark. But this is the public's business. And it is scarcely within the province of the Justice Department, which is legal representative of the whole people's government, to cover up for anybody. The department's concern is with justice, not with whose toes get stepped on.

This contradiction should be cleared up. Meanwhile the public has reason to be grateful to the representatives of a press that is enterprising as well as free for uncovering what looks at the moment like a rather unpretty situation.

CHAMPION OF TRUTH

(Chicago Tribune)

To appraise the career of Frank Brett Noyes, who died Wednesday in Washington at the age of 85, it is necessary to quote the words he used when he retired in 1938 after 38 years as president of the Associated Press. He said:

"I pray to God that the time may never come when any individual can dictate to the newspapers of the United States the nature of the reports that they give."

From 1901 to 1910 Mr. Noyes was publisher of the old Chicago Record. He then headed the Washington Evening Star, which he and his brothers inherited from their father. His long service to the Associated Press, therefore, had to be given at a considerable sacrifice to his own publishing interests.

During his lifetime Mr. Noyes was honored by numerous universities and foreign governments. No honor that came to him, however, compares with the respect in which he was held by the men who knew him best, his fellow publishers. When he retired from the presidency of the AP, they pledged themselves anew to his favorite cause—truth in the news. This was the highest tribute they knew.

Tuberculosis Seal
Sales Reach New
Volume In County

An amazing increase in the sale of Christmas tuberculosis seals has been reported by Mrs. Orville Foreman, seal sale director for Morgan County. Never before in the history of the county tuberculosis association have such large returns come in on corresponding dates.

This is particularly gratifying to the members of the Tuberculosis and Health League because it shows a growing interest on the part of the citizens of Morgan County in the effort to stamp out tuberculosis—an awakening of the public conscience of the need of supporting the campaign for early diagnosis and discovery of this costly and often fatal disease.

More and more the public realizes that the destruction caused by tuberculosis, in life, ability to earn and in producing invalidism, is needless—that tuberculosis can be prevented and cured. All that is needed is the means of early diagnosis, and the funds to teach people to make use of the facilities provided. This is done only through the sale of Christmas Seals. No other money is provided to carry out the program. Christmas seals, purchased in comparatively small amounts, by a large portion of the health-minded public, enable the maintenance of tuberculin testing in the schools, the purchase of X-ray film, for the follow up examination of reactors, and the conducting of the daily chest clinic at Oaklawn Sanatorium.

In the past year an eleven year old girl died of tuberculosis. She entered Oaklawn Sanatorium too late to be cured. A tuberculin testing project with X-ray follow up had not been carried out in the school she was attending. Had she had such a test her infection might have been discovered a year earlier, while her disease was still curable. In the meantime she may have transmitted the infection to other children.

Needless to say this failure to test this group has now been corrected. The children have had a recent tuberculin skin test. If any have been infected it will soon be known and they will be taken care of. However, if this work is to be carried further, to include all Morgan County school children, more funds must be provided. A small investment in the beautiful seals will do the work. It's a contribution in line with the spirit of Christmas, the giving of health. One or two dollars, or even less, spent for these seals, saves lives, prevents poverty and alleviates suffering and loss of ability to work and play. Early discovery made possible by tuberculin testing and X-ray examination of the lungs will eradicate tuberculosis.

Books For Whole Family Featured At Public Library

Miss Frances Bailey, librarian,
announces that the Jacksonville
public library is now featuring books
for the whole family.

One such work is "The Home
Book of Laughter," edited by May
Lamberton Becker, which includes
the writings of such well-known
humorists as Frank R. Stockton,
Bill Rye, Clarence Day, Robert
Benchley, James Thurber and Cor-
nella Otis Skinner. The author
suggests that the book be read
aloud to provide an evening of
home entertainment.

Family football fans will wel-
come the compilation of "Football:
Facts and Figures," written by
Louis Baker in 1945, with the sup-
plement which brings it down to
1947.

Two of the latest books to pre-
sent expert advice on planning and
managing the camping and hunting
expedition are Homer Halsted's
"How to Live in the Woods" and
"Tracks and Trailing" by Ells-
worth Jaeger.

"Personal Finance" by Elvin Frank
Donaldson is an edition intended to
help the average person do a bet-
ter job of managing his hard-
earned money.

Another book aimed to help
settle the family matters is "How to
Live Within Your Income." This
piece was written by Sylvia F. Per-
ter and J. K. Lasser, author of the
1946 edition of "Your Income Tax,"
now available at the library.

The copy of "Who's Who" for
1948 is another recent addition to
the library shelves.

Airplane carriers rely on their
speed to escape from enemy ships,

Burglars Break Into Cafe: Steal Cash At Woodson

The Spot restaurant at Woodson was burglarized Friday night or early Saturday morning with a loss of more than \$20 in small change, and a considerable amount of merchandise.

Lord Whitaker, proprietor of the restaurant, told Deputy Sheriff Jack Andrews that the money was in nickels and other coins of small denominations, all of which were wrapped.

Cigarettes, candy and other merchandise was stolen.

The eating place is located near U. S. Highway 67, along which there is much traffic all night. The exact time of the burglary is not known, but it is believed to have taken place after midnight.

Entrance was gained by forcing open a rear window. Several persons were questioned by county officials during the day. One suspect was brought to the county jail for further investigation.

Announce Sectional And Regional Sites For 1949 Playoffs

Chicago, Dec. 10.—(P)—Sectional and regional tournament sites for the 1949 Illinois high school basketball playoffs were announced today. Sectionals will be played at Canton, Carbondale, Champaign, Decatur, East St. Louis, Effingham, Elgin, Hillsboro, Joliet, Moline, Mt. Vernon, Ottawa, Pekin, Pittsfield and East Rockford. They must end on March 11.

The sectionals are played during the third week of the month-long elimination playoffs. By that time the original field of about 800 teams has been cut down to 60 downstate. Four teams—each a regional tournament champion—will play at each of the 15 sectional tournaments.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Dec. 11.—(P)—Hogs, cattle and sheep sold at nominally steady prices today, ending a week which saw hogs and cattle slump while sheep held fairly steady.

The drop in hogs was based on an increase in receipts coming at a time when wholesale pork prices were easing. Losses ran to \$2 in hogs, although light weight butchers dropped only about 75 cents. The agriculture department reported "many pork items are selling at the lowest prices of the year in the wholesale trade."

Most steers ended unevenly weak to \$1.50 lower. Choice types sold readily, largely because only about 6 per cent of the available supply graded that quality. The agriculture department said it was about the smallest percentage on record. Average cost of slaughter steers this week dropped to \$27.72.

Lambs closed the week steady with last Saturday, fed yearlings were steady to weak and ewes ended strong strong to 50 cents higher.

New York Stock Market

New York, Dec. 11.—(P)—Demand expanded after a hesitant start in the stock market today and prices advanced fractions to a point of more.

Even slight gains were enough to put some issues at top prices of the year.

Volume increased as the price curve rose, with business at the rate of 500,000 shares for the two-hour session.

Radio and television shares came back into favor after yielding a little ground earlier this week on profit taking sales.

Magnavox reached a new high for the year with a gain of around a point and higher prices were paid for Radio Corp., Admiral Corp., Motorola, and Farnsworth Television.

Others highly included U. S. Steel, Bethlehem Steel, Chrysler, Studebaker, and Owens-Illinois.

Markets at a Glance

Chicago White Sox May Sign Negro Ball Player

Chicago, Dec. 11.—(P)—The Chicago White Sox for the first time may hire a negro baseball player, it was learned today.

As the frost-bitten baseball caravan moved from Minneapolis' minor league convention to the big league sessions in Chicago, reports circulated that the Sox were trying to buy Sam Jethroe, a negro outfielder, from Brooklyn's Montreal farm.

Frank Lane, Chicago's energetic general manager, talked with Branch Rickey, Dodge president, for several hours yesterday with Jethroe the chief topic of conversation. Lane, anxious to revitalize the cellar Sox with youth, speed and hustle, and at the same time give the Sox fans a game attraction, is eager to land Jethroe.

The only hindrance is the sales price. Rickey, who has his own ideas of the relative worth of his players, has set a fancy price on Jethroe. He is perfectly willing to give up the fleet-footed flycatcher, but for \$40,000. Ironically, the Sox could have had Jethroe for nothing two years ago. They gave him a trial at Comiskey park two summers ago but he failed to impress.

Jethroe, 22, batting in the leadoff spot for the International League champion Royals last season, hit .322. Although he played in only 76 games, he was tied for second in lead in stolen bases with 18. Among his 94 hits were 12 doubles, 11 triples and one home run.

Freshmen Banned From Varsity Play By Illinois IAC

Chicago, Dec. 10.—(P)—The Illinois Intercollegiate Athletic Conference, opening its winter meeting today, acted to ban freshmen from varsity competition, effective next Sept. 1.

The faculty representatives recommended adoption of the freshman rule which will be submitted to conference school presidents for final approval.

The I.I.A.C. also ruled that in the future when the same team competes in varsity play.

The conference track, golf and tennis title meets for 1949 were awarded to Western Illinois State at Macomb, May 20-21, and the 1949 wrestling tourney was awarded to Illinois State Normal at Normal, March 5.

Ray Hanson of Western was elected athletic conference president. Other new officers were Glenn Martin, Southern Illinois University, vice president; W. H. Zeigel, Eastern Illinois State, secretary; and Dr. Charles F. Lantz, Eastern Illinois State, treasurer.

A committee was organized to act on eligibility cases. It is composed of Dr. C. E. Horton of Normal, chairman, and five faculty representatives. W. N. Phelps of Southern Illinois Normal; Paul Harrison, Northern Illinois State; Allan Laffin, Western; and Zeigel.

Michigan Takes 2nd Win Of Year From U Of Toledo

Ann Arbor, Mich., Dec. 11.—(P)—Michigan's Big Nine champions overcame a stubborn University of Toledo basketball squad in the first half here tonight and then rolled to a 51-40 win. An estimated 7,800 fans watched the Wolverines hang up their second straight victory of the new season.

Both teams played heads-up ball through the first half which featured a scoring duel between Toledo's Ed LeRoy and Boyd McCaslin of the Michigan squad. Both hit for five field goals and one free throw before the intermission, when Michigan led 26-18.

In the final period much of the Toledo fire was gone and Michigan outscored the Ohioans 11-2 in the first four minutes of play and won going away.

CHIANG'S SON TRIES AUSTERITY

Shanghai—(P)—Maj. Gen. Chiang-kuo, son of President Chiang Kai-shek, has vacated his elaborate home here as an example to residents of Shanghai.

As economic czar of Shanghai, General Chiang is trying to enforce the austerity program which the government insists is necessary if the Communists are to be beaten in the civil war. Chiang's house is sold by the government properly ordered sold by the government to help stabilize the currency. Chiang, because of the housing shortage, is living with friends.

The Journal, Courier was never like this. When the food is poor they give you all you want, and when it's good, you get bird rations. These are the words heard from R. C. M. Bellotti from Camp Breckenridge, Kentucky, in a recent letter to the local paper. Charley in only four days has learned to be a good soldier in that he's passed the first test—he can gripe. His address is R. C. M. Bellotti, US 5500128, Co. B, 502D Abn. Inf. Regt. 101st Airborne Division, Camp Breckenridge, Kentucky.

Don Longer, who played a lot of left end for the Illinois College eleven this fall, and who is in the process of occupying a lot of space beneath the hoops for the Blueboy five, has been chosen to captain next year's I.C. grid machine. Only a sophomore, this big lad from Danville, Illinois, has been an outstanding athlete during his short reign at Illinois College. He was elected to serve as leader of the next Blueboy gridders by lettermen who will return for another year's action at the Hilltop school.

Going into last night's hoop bout with Charleston Teachers, Bill Shouse led Blueboy scorers with a total of 47 points in three contests. This gives the sharp-shooting I.C. guard a 15.2-3 points per game average. Not far behind is Big Bill Gross, who is sporting a 15 counter per contest average.

In local prep circles Spike Wilson's Leo Ceci is currently leading the scoring parade with a grand total of 74 points amassed during 5 cage bouts, giving him a per game average of 14.8-5 points.

Stan Spotts, ace Crimson net swisher, trails the Tiger forward with a 12 per game count. He started the season with a bang, hitting for 20 tallies against Virginia, but in the succeeding three games his average has been steadily declining, dropping to 11.9 and finally 8 against Pittsfield's Sankees.

Paul Stroud is not blessed with a single high scorer on the Rocket five, but four of his kids have hit consistently for 7 or 8 points per game. Vernon Tighe owns the best average with 8 points per contest; but Paul Kennedy and A. J. Spreen aren't far behind with 7-1 tallies per bout. While little Joe Murphy can be counted on for 6-2-3 markers at a crack, Joe grabbed the highest number of points in a single game when Stroud's charges, when he marked 11 points against Chapin.

The Rocket mentor, with this even scoring outfit, never needs to worry about a "hot-shot" going state and fouling up the detail, but then again a high scoring forward, even though inconsistent, can live up any ball game.

We were all set to do a little bragging on the local lives this week end, when whammo! Records are blown sky high, and Jacksonville quints bring home three Friday night defeats as compared to a single victory.

Not a local coach was surprised with his team's showing, however. Miller, Kraushaar and Wilson know that their lives are not invincible, and expect the defeats to provide a psychological tonic for future contests.

Al Miller, Blueboy mentor, returned from a CCI parley in Chicago Friday night, and reported that not many entries in that loop are afraid of his five. Most coaches consider Wheaton and Carthage the teams to beat in the college conference. However, don't underestimate those hilltoppers, they can be mighty tough on the hardwood.

Spike Wilson took his ISD cagers on a rough jaunt this weekend, invading both Princeton and Wisconsin school for the deaf. Both teams are highly regarded in this section. Princeton had previously whipped the Springfield high hoopers, and Spike was by no means ashamed of his crews eight point defeat in the hands of the northern Illinois quint Friday night. He related to us over the phone that it was the best game his boys had played all year.

Bob Kraushaar's Crimsonos could not have been expected to play top-notch ball against Pittsfield Friday night. All six of their Wilson know they were badly injured on the way to the game, and the boys learned of this disaster before they went on the floor. That they went on to play the game deserves a tribute. They're a fine bunch of fighting ball players, and we predict they'll go far in prep circles this winter.

Routt won.

Hold Tri-County Cage Tournament At White Hall

The annual Tri-County basketball tournament will be held Wednesday and Thursday, December 15 and 16 in the White Hall high school gymnasium. Play will get under way at 7:30 each evening.

The Tri-County Association was organized quite a number of years ago and the membership was composed of the various three-year high schools in Morgan, Scott and Greene counties. Due to the recent consolidation of many small schools, only four teams are participating this year.

Participating schools are Kane, Grapetown, Edred and the host school, Hillview, School that have dropped from the association are Woodson, Manchester, Alsey, Patterson and Kampsville.

First Basemen In Great Demand By Major Leagues

Minneapolis, Minn., Dec. 10.—(P)—Ear Muffs and first basemen were in great demand today as baseball men closed the minor league convention in this frigid city and mused "south" to Chicago for next week's major league meetings.

"Good morning, it's six below" said the telephone operator at convention headquarters as she awakened a hater of this morning. There was a hint of pride in her voice.

Zero or 90, eight of the 16 big league teams continued their search for a first baseman, the scarcest item on the market. Everybody has the money and all are willing to go high.

One excuse aptly summed up the trading situation.

"They'll give you a cup of water for two pints of blood any day," he said. Apparently he had just finished a talk with Branch Rickey, the Brooklyn mahatma.

Mickey Vernon of Washington is on the list of desirable first basemen. Despite a poor 242 year in 1948, he would fit nicely into the picture at the Yankee Stadium in New York. There is a strong suspicion that Mick will wind up with the Yanks, who also are interested in the Browns' Bob Dillinger and Cliff Fanning.

Cleveland, however, would be willing to give the Yanks Eddie Robinson who drove in 83 runs with a .236 average. If George Weiss would loosen up with Joe Page. If the Indians trade Robinson, Rookie Al Rosen, who came up as a third baseman, would be the likely first sacker for the Tribe. He worked out there last fall.

Spike Wilson's fighting Tigers from I.S.D. staged a last minute rally to eke out a 43 to 41 victory over the Wisconsin School for the Deaf basketballers at Delavan, Wisconsin, Saturday night.

Alta Hood dropped in the winning bucket with less than a minute to play when he loosed a long one-handed shot that swished the net perfectly and gave the westenders the victory.

The Jacksonville five jumped to an early lead in the first quarter, tossing through 10 tallies in that frame while holding the host quint to a single basket and 2 points. A second canto rally by the host club brought them up to within 2 points of the Tigers at halftime: the score registering 16 to 14 at this stage of the game.

I.S.D. was unable to cope with the Wisconsin zone defense in the third frame and fell behind the home club 30 to 27. However, Yates and Kwiatk solved the bulwark in the last frame, and began passing through the zone to Leo Ceci under the hoop. With only three minutes of play remaining the locals trailed 37 to 33, but with the guards tossing the leather into Ceci, and the I.S.D. forward hitting consistently, the westenders cut the lead, and pushed ahead at the end of the fray.

Leo Ceci was the outstanding scorer of the contest, collecting 19 markers for his evening's work. Billy Yates' rebounding was also a paramount factor in the Tiger victory. Rainick, Wisconsin forward, gathered 13 points to lead the losers.

Bradley Quint Hands Dubuque U. 82 To 35 Setback

Peoria, Ill., Dec. 11.—(P)—Bradley's Braves used a fast break and accurate marksmanship tonight to outgun the University of Dubuque Spartans, 82-35.

The Braves were hot and clicked on 12 of their first 17 field goal tries to run up a 29 to 5 lead early in the game. At the half time, they had stretched the margin to 43 to 13.

The Spartans could connect for only one field goal in the first 15 minutes.

Scoring honors were cut three ways at 12 points each among Paul Unruh and Don Alford of Bradley and Jerry Borg of Dubuque.

It was Bradley's second straight victory and the Spartans' second loss in four games.

Indiana Wins Third Straight From Xavier

Bloomington, Ind., Dec. 11.—(P)—Indiana university won its third straight pre-Big Nine season basketball game tonight but was outscored from the field in a 63-55 victory over Xavier's Musketeers from Cincinnati.

Xavier led only three minutes in the first half but crowded the Hoosiers all the way. The Ohio team hit 23 field goals to Indiana's 21. It made only 11 free throws to 1. U's 21.

Malcolm McMullen, six-foot-five-inch Xavier center, was a standout at scooping in rebounds and he took individual scoring honors with 17 points.

Indiana's Lou Watson, veteran guard, scored 16 points and a couple of sophomores gave him plenty of help. Bill Garrett, first negro to play for Indiana, contributed 12 points and Bill Toshoff added eight. Veteran Don Ritter also made eight timely points.

Undeclared Loyola Hands Wisconsin Their First Loss

Madison, Wis., Dec. 11.—(P)—The Loyola Ramblers remained undefeated tonight by handing the Wisconsin basketball team a 40-37 setback. It was the Badgers' first defeat of the season.

The Chicagoans put on a blazing sprint in the last six minutes to jump from a 28-31 deficit to a 40-31 lead with a minute and a half to go. In the next half minute the Badgers scored three times, but failed to overcome Loyola's lead.

In the winning 12-point rally, Jack Kerris, who led the night's scoring with 13 points, hooked in three baskets. He and Don Rehfeldt, Wisconsin center, who tallied nine points for the Badgers, were honored tonight as the last minute to play.

At halftime the Ramblers held a 22-20 lead.

Harbert Shoots A 62 In Miami; Goes Into Second Place

Miami, Fla., Dec. 11.—(P)—Melvin (Chick) Harbert, Detroit professional set a course record eight under par 62 in the \$10,000 Miami Open golf tournament today but Amateur Frank Stranahan of Toledo, Ohio, still led the field with 200 for 54 holes.

Harbert's sensational round lifted him from a tie for fifth place at the halfway mark to a firm second with 202 strokes. Herman Barron, White Plains, N. Y., took third place with a 66 today and a total of 206.

Harbert, strapping 33-year-old son of a golf pro, literally blazed around the 6,735-yard par 70 Miami Springs course in intermittent showers with a 30 going out and a 32 coming home. The course had been lengthened by 415 yards since last year's tournament but the added yardage didn't bother the long-driving Harbert, who had six birdies and an eagle. He hit the green with his second shot on the 500-yard par five fifth hole and dropped an eight-foot putt for an eagle.

Stranahan, who posted 66s during the opening rounds, shot 34-34-68 today.

Harbert's score broke the record 63 set by Henry Picard of Cleveland and tied by Clayton Heafner of Charlotte, N. C., last year.

Stuhldreher Quits As Football Coach At U Of Wisconsin

Madison, Wis., Dec. 11.—(P)—Harry Stuhldreher gave up his post as head football coach at the University of Wisconsin today. But the surrender didn't cost him much.

The little general, under heavy fire all season, resigned in a dramatic move but kept his position as athletic director and his \$12,000 yearly salary.

"The double job was getting too tough," he said.

The Board of Regents agreed and sent University President E. B. Fred out into the market place to find a successor.

Stuhldreher's 1948 team wound up in the Big Nine cellar with a single conference victory. It won one other game in nine starts. The "good-bye Harry" boys, who unfurled their banner in the midseason Yale game—which favored Wisconsin 107, 17-7—spearheaded a statewide assault on his position.

His resignation came four days before a student referendum on his status. But Stuhldreher said, that had nothing to do with his decision, which actually was made last Tuesday. Anyway, the vote was called off.

Blueboys Drop Cage Bout To Hot Shooting Eastern State Quint

Coach Al Miller's Blueboys dropped a 77 to 66 cage bout to a hot-shooting Eastern Illinois State College five on the ISD boards Saturday night.

Again the Blueboys were plagued with foul commitments. Longer and Gross left the contest via the foul route mid-way in the second half, and Bill Shouse took a shower in the last four minutes of play. Not a single visiting player fouled out of the battle.

Panthers Grab Early Lead

The Panthers from Eastern Illinois grabbed an early lead when Olson, invading forward started swishing the net immediately after the tip-off, flipping in three long one-handers before the Millermen could get under way. Don Longer matched Olson's shots twice, and Bill Shouse began to amass his total of 24 points to keep the Blueboys in the running.

Barney Vilk, playing on an injured leg, shoved in three buckets and a gift toss to collect 7 tallies in the initial frame, to help Shouse and Longer keep the Hilltoppers only 3 points behind the Panthers at the close of the half.

Visitors Substitute Freely

The visiting coach inserted new hoopers into the fray freely in the second canto, and every one of the substitutes hit as well from the field as his predecessor. Bob Grove collected 13 markers in this period. He was the only Hilltop cager to ring the hoop in the last four minutes, with the exception of Paul Lasley, who dropped in a couple of free tosses.

The Eastern Illinois school poured in a steady rain of buckets in the

first eight minutes of the second canto. Substitute center, Katsimpolis, paved the way, collecting 13 markers in this portion of the contest. The six foot center put on a remarkable demonstration of pivot play, hitting with either hand, and drawing five fouls in the process. He hit his gift tosses with the same uncanny precision as from the field, enjoying a perfect night at the free throw line. Other than this eight minutes he was kept under wraps by the visiting mentor.

Trail By 20 Points

When Longer and Gross left the conflict, the Blueboys were trailing by a 64 to 44 count, and with no height, things looked black for the local five. However, Shouse, Murkin and Grove fought back in the next period, and pulled up to within 11 points of the Panthers before time caught up with them.

Bill Shouse led both fives in scoring with his 24 tallies. Katsimpolis and Demoulin were high for the eleven Eastern State scorers with 13 markers each.

In the preliminary Joe Brooks' greatly improved B team, fell short on a last ditch rally and dropped the contest to the Eastern State team B five by a 45 to 36 margin.

THE OLD FAVORITES AS WELL AS THE NEW ONES. LANE'S BOOK STORE

FOR CHRISTMAS BASKETS

Any resemblance between the Illinois theater and a well-stocked grocery store was more than a matter of coincidence Saturday morning after approximately 1,000 youngsters and adults filled in with donations for the Salvation Army.

Shown in the photo are B. M. Monce, theatre manager, and Major Henri Servalis of the Jacksonville Salvation Army.

The food was given as admission to a varied program of movie fare, which included a western, a comedy feature with Laurel and Hardy, two cartoons and entertainment by the Prairie Pioneers.

The audience was about twice as large as that of last year. Some of the patrons brought double and even triple donations and many came with bags loaded with groceries.

A wide variety of canned fruits, vegetables and soups, several cartons of Jello and a large supply of potatoes, oranges and apples were received. Some of the food was of the home canned variety, while the majority was canned in tins.

The Salvation Army will use this food to fill Christmas baskets which will be delivered to shut-ins on Dec. 23. Major Servalis, while expressing his appreciation for the generous response with which this appeal was met, said that this year's donations far outnumbered those of the past two years when similar programs were carried out.

This project was made possible through the cooperation of the theatre management. Theater workers donated their labor and personnel from the Salvation Army collected the donations.

Weatherman's Kit, Parachute, Land In Morgan County

A parachute carrying a box containing delicate radio weather recording instruments made a speedy journey from Columbia, Mo., to Jacksonville Saturday morning. The parachute and instruments were picked up by Albert Lovekamp, rural route 6, about noon Saturday on a road north of Arnold near Mr. Lovekamp's home.

According to a tag on the box, the parachute took the air at the Columbia airport, December 11, 1948. The time was not given. Columbia is 153 miles from Jacksonville by automobile.

Mr. Lovekamp had been in Jacksonville transacting business and was returning home when he noticed the six foot parachute drifting in the wind along the road. Mr. Lovekamp investigated and found the box containing the weather instruments.

Instructions on the box asked the owner to mail the box to the United States Weather Bureau at Joliet, Ill.

Mr. Lovekamp placed the box in the mails Saturday afternoon.

Xmas Shoppers Throng Jacksonville Saturday

Thursday's snowflakes and Friday's low temperatures evidently combined to bring to the attention of many people in the Jacksonville trade area that Christmas is really around the corner. Saturday's clear skies and mild weather assured the shoppers that they'd never get a better day to finish up the exciting task of selecting the right gift for the right person.

Whatever the cause, the streets and stores of Jacksonville were crowded throughout the day and as far into the evening as the business houses remained open.

Recent press stories released by government agencies indicate Christmas buying is slightly off this year. It isn't so in Jacksonville, observers say.

With the exception of two days, retail sales in Jacksonville have been running ahead of corresponding days in 1947. Those two days were the Friday and Saturday after Thanksgiving when sales ebbed slightly under the same dates last year.

Biggest Day Yet

At 9 p.m. Saturday one old established business house in the city announced that it had done the greatest single day's volume of business in its history. Many merchants said their stocks of merchandise were dwindling. They noted this was especially so in the low and moderate price field.

Hundreds of evergreen trees were sold throughout the day. The supply was good and the buyers plentiful. Santa Claus located in his hut in Central Park put in his busiest day in the last two years. He was swamped by children as soon as he opened at 2 p.m. and they kept coming for some time after the customary closing hour. An estimated 1,500 children greeted Santa Saturday afternoon.

A group of Christmas selections were sung by Mrs. Allan Schofield and Mrs. Harry Maurer. A pick and blue shower was held. Mrs. Roy Meyers was social chairman.

The party followed a potluck dinner and business meeting, conducted by Mrs. John Finch, president.

In the absence of Mrs. Carl Summers, Mrs. George Wilson was the acting secretary. Mrs. Callie Gibbs presented the lesson.

Schofield was spiritual life leader and Mrs. Gerald Siegrist led the worship service.

Mrs. Lou Fearnheybough, Mrs. Dorothy Ranson and Mrs. Nell Landis were assistant hostesses.

Silas Rentschler, Retired Concord Farmer, Dies

Surviving are his sister, Mrs. G. E. Houston of northwest of the city, his brother, Carl Rentschler, Jacksonville, and several nieces and nephews.

Mr. Rentschler was a member of the Concord Methodist church and the I.O.O.F.

Slot Machine Men Remove Equipment From Beardstown

Residents of Beardstown said Saturday that slot machine operators had removed the estimated 100 devices which had been operating in that city. The removal followed an announcement made earlier in the week by State's Attorney Milton McClure that machine owners and proprietors would face prosecution if they were found in operation Monday.

Punchboards also disappeared from the counters of Beardstown establishments. Dice tables and roulette wheels of Beardstown and outlying casinos were reported being stored.

The order caused a stir throughout the community and the edict was received with mixed emotions as Beardstown long has had the reputation of a "wide open" town.

McClure took office last Monday. He has indicated that the gambling ban "will stick" and that it is not just a temporary cleanup.

Carols Of Many Lands To Feature Vesper Program

Unusual carols from many lands, and gems from the treasures of church music will make up the Christmas Vespers program presented by MacMurray College choir and Madrigal club Sunday evening at 7:30 o'clock at Grace church.

There will be two Asturian carols, "This is the Holy Even" and "There Was No Room," and a Galician carol, "Hasten Shepherds," which is to be sung to the accompaniment of tambourine, castanets, and finger cymbals. Others from foreign lands include a Besancon carol, "Shepherds, Shake Off Your Dreamy Sleep," the Bohemian, "The Angels and the Shepherds," and from the French, "Ding-dong! Merrily on High."

Two Negro spirituals appear, "Sweet Little Jesus Boy" and "Go Tell It to the Mountains," arranged respectively by MacGimsey and Gauthier. An English folk-song, "Christmas Day in the Morning," arranged by Percy Grainger, and a Czech folksong, arranged by Glaser are listed.

Bach is well represented, with "Jesu, Priceless Treasure" and "Prelude in D minor" selected for organ prelude and postlude. There will be two numbers from this composer's Christmas Oratorio and his "Let Merry Carols Sound."

One interesting offering is "All My Heart This Night Rejoices," arranged by Henry Busche, one of the directors, and sung by a small ensemble of choir members. The program will reach a grand climax in the final number, sung by the combined groups, "Ave Maria" by Gustav Holst.

Miss Lucille Haney and Henry Busche will direct the singing. Wilbur Sheridan will be at the organ, and Miss Margaret Harvey, junior from Quincy, at the piano.

MISSIONARY WOMEN PLAN XMAS PROGRAM

The following Christmas program will be presented at a meeting of the Missionary society of Northminster church Thursday at the church:

Chandle bearers will be Mrs. A. Vasconcellos, Mrs. Carrie Smith, Mrs. Eugene Munis, Mrs. Lawrence Smith, Mrs. H. Bodensiek and Mrs. E. H. Sheppard. Mrs. Harry Oliver, Mrs. A. Souza, Mrs. Henry Souza and Mrs. John Huber will be hostesses.

Waltz into Darkness

BY WILLIAM IRISH

THE STORY: Bonny discharges their maid of all work, takes over the household chores herself. Washing the dishes after dinner one night she screams that she has seen a rat in the kitchen. She screams Durand out for rat poison.

XXXXVIII

IT was the following night that his illness really began. She discovered it first.

He found her looking at him intently as he closed his book at their retiring-time.

"What is it?" he said cheerfully. "Louis," she hesitated. "Are you sure you have been feeling well lately? I do not find you looking yourself. I do not like the way you—"

"I?" he exclaimed in astonishment. "Why, I never felt better in my life!"

She silenced him with tilt of hand. "That may well be, but your appearance belies it. More and more lately I have found you looking worn and haggard at times. I have not mentioned it before, because I didn't want to alarm you, but it has been on my mind for some time now to do so. It's very evident; I can see it quite plainly."

"Nonsense," he said, half laughing. "I have an excellent remedy, if you will but let me give it to you. And I will join you in it myself, as an inducement."

"What?" he asked, amused.

She jumped up. "Starting tonight, we are to take an egg nog, the two of us, each night before retiring. It is an excellent tonic, they assure me, for fortifying the system."

"I am not an invalid—" he tried to protest.

"Now, not another word, sir!" she ordered gaily. "I intend to prepare them right now, and you shall not hinder me. I have all the necessary ingredients right at hand, in there. Fresh-laid eggs,

and the very best obtainable, at 12 cents a dozen, mind you! And the brandy we have in the house as well."

He couldn't help but smile indulgently at her, but he let her have her way. This was a new role for her, nursemaid to a non-existent ailment. If it made her happy, why what was the harm?

Her mood was amiable, sanguine, all gentleness and contrition now. She even bent to kiss him atop the head in passing.

"Was I cross to you before? Forgive me, Lou dear. You know I wouldn't want to be. A fright like that can make one into a harrier—" She went toward the kitchen, smiling back at him.

He could hear her cracking the eggs, somewhere beyond the open doorway, and crinkled his eyes appreciatively to himself.

Presently she had even begun to hum lightly as she moved about in there, she was enjoying her self-imposed task so much.

SHE came in, holding one glass in each hand. Their contents pale gold in color, creamy in substance.

"Here. One for you, one for me." She offered them both. "Take whichever one you want." Then when he had, she tasted tentatively at the one that remained in her hand. "I hope I didn't put in too much sugar. Too much would sicken. May I try yours?"

"Of course."

She took it back from him, tasted at it in turn. It left a little white trace on her upper lip.

The rest of that night was an agony, a Calvary. He called out to her, more than once, but she was not near enough to hear him. Helpless and cut off from her, he sank his teeth into his own lip last, and kept silent after blood all down his chin.

"What was that?" She went back in again for a moment. She was gone a moment only. Then she returned to him. "I thought I heard a sound in

there. I wanted to make sure I fastened the door."

She gave him back the one he had had in the first place, and which she had sampled.

"Since it has brandy in it," she said, "I suppose we should precede it with a toast." She nudged her glass to his. "To your better health."

She drained hers to the bottom.

HE took a deep draught of his. He found it quite velvety and pleasurable. The liquor in it, with which she had been unsparing, gave a mellow warming effect to the stomach after it had lain there some moments.

"I wish all tonics were this palatable, don't you?" she remarked.

"It's quite satisfactory," he admitted, more to please her than because he saw any great virtue in it. It was after all, to his way of thinking, neither honest liquor nor wholly medicine.

"You must drink it down to the bottom, that is the only way it will do you any good," she urged gently. "See, as I did mine."

To spare her feelings, after the trouble of having prepared it, he did so.

He tasted of his tongue, dubiously, after he had. "It is a little chalky, don't you find. A little—stringent. It puckers."

"That is because you are not used to milk," she took the glass from him. "I'll just rinse out the glasses," she said, "and then we can go up."

He slept soundly at first, feeling at the last the grateful glow the tonic had deposited in his stomach. But then after an hour or two he awakened into torment. The glow was no longer benign, it had a flaming bite to it. Sleep, once driven off, couldn't come near him again, held back by a fiery sword turning and turning in his vitals.

The rest of that night was an agony, a Calvary. He called out to her, more than once, but she was not near enough to hear him. Helpless and cut off from her, he sank his teeth into his own lip last, and kept silent after blood all down his chin.

BIG BEAR DEFIES BULLETS

Grand Junction, Colo.—(AP)—Frank Bernard came back from a deer hunting trip with a tall bear story—and the bear to prove it. The bruin he'd shot weighed about 650 pounds and was seven feet long.

Bernard said the big animal was only 30 feet away when he fired his first shot, the bullet striking the bear in the nose. The bear charged, paying no attention to a second bullet drilling into its side. Another hunter then shot the bear in the foot, turning it to one side, and Bernard's third shot broke its leg, ending its enraged rush.

Blonde, 35, (Looks 25) Seeks Mate

Mrs. Beatrice De Molet, 35, wants Santa Claus—or someone—to put her in touch with a future husband, object matrimony. Her dream man must have \$3000 to \$5000 in the bank, a big heart, good character and a steady job. Clevelanders will have the edge on other applicants. The twice-divorced Dayton, Ohio, mother of two says she's a good cook and housekeeper and has "a figure just as good as any of the models you see and read about." That's son Dennis, 2, she's reading to; son James, 16, goes to high school and works after school.

"After all," he said "I'm only 90."

He's usually the first one in the office every morning, at his desk, puffing on the first of at least six daily cigars, shortly after 7:30 a.m. The nonagenarian used to be a carpenter and helped build many churches, library, industrial and commercial structures in the city. Now

he spends his off hours writing poetry and turning out special wood carvings as gifts for friends. His theory for living a long life: "Don't argue. You lose your time and your temper."
